N.B. Results obtained from testing that has been subcontracted to an alternative UKAS laboratory shall be clearly identified.

This laboratory is accredited in accordance with the recognised International Standard ISO/IEC 17025. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer joint ISO-ILAC-IAF communiqué dated April 2017)

N.B. Opinions and interpretations based on test results are outside the scope of UKAS Accreditation.

N.B. The test results reported on this test certificate only relate to the item(s) submitted for testing on the Purchased Order detailed.

N.B. The results on this test certificate do not in anyway confer approval of the quality of Manufacture of the Material.

N.B. Document Control No.: 20. Laboratory Test Certificate Issue No.: 4 Issue Date: November 2017
